Please note the crèche cannot care for children who are unwell, and fees cannot be refunded if this should occur. Every effort will be taken to avoid the spread of infection and children should be kept away if they are running a temperature or showing signs of sickness/diarrhoea or other potentially contagious illnesses.

You will be asked each day to provide a rough description of your skiing plans and locations in case of medical emergency, however, if a child needs urgent medical attention and you cannot be contacted the child will be taken to the nearest Doctor's or Casualty Department.

I, the undersigned, give my consent for Ski 2 staff member to take my child to a doctor's or Casualty Department if my child requires urgent medical attention.

We now offer an introduction to skiing for our younger guests within our Penguin Club (ski equipment included); please tick the box if you would like your child participate in this offer:
